Dear Mayor and City Commissioners:

I am making application to fill the interim City Commission seat that will be vacated by Commissioner Kara Bauer.

The following experience would allow me to get up to speed quickly and provide a service to the City.

- Member of the Planning and Zoning Board since 1999.
- A resident of the City of Safety Harbor for nine years during which time I have made an effort to attend Commission meetings, charrets, workshops and various informational meetings. Most recently I attended a library expansion meeting, a workshop on transportation issues put together by Mayor Steingold and a traffic management planning session for Bayshore.
- Member of the Citizens Emergency Response Team, a Neighborhood Watch officer and former officer of the Old Harbor Place Neighborhood Association.
- Master of City and Regional Planning with a minor in Public Administration - California State University, Fresno, CA.
- Professional planning experience.
San Joaquin Valley Air Pollution Control District - Environmental Planner II
Alameda-Contra Costa Transit District - Associate Transportation Planner

Both positions focused on transportation and its impact on community and environmental issues. Represented both public agencies on various transportation, environmental and community planning task forces.

- Member of the American Institute of Certified Planners (AICP) and American Planning Association.

As a resident of Safety Harbor I have done my best to be an informed and useful member of the community and that is why I am making this application. If chosen to fill this Commission seat I would like to ask that when a new Commissioner is elected, I may resume my position on the Planning and Zoning Board.

Thank you for your consideration and I hope I may be of service. Please feel free to call me at 727-725-7638.

Yours truly,
